Dedicated team player striving proficiency, ensuring quality products. Receptive to new ideas and open ears to peers and subordinates, effectively utilizing available resources to fulfil commitments. Competent and success driven, challenging conventional practices seeking creative and cost-effective solutions.

Driven by a passion for excellence, I have collaborated with diverse clients, fostering successful projects that leave a lasting impact. With a proven track record of delivering exceptional results, I bring my expertise to my current organization, driving growth and innovation.

Work Experience

Associate Consultant   Oct 2023 - Present
Maventic Innovative Solutions Pvt Ltd | Remote

Acquired extensive knowledge in translating business requirements to technical procedures, by working side by side with experienced consultants. My primary role as an Associate consultant, focused on developing custom solutions that are both innovative and cost-effective. My dedication and consistency have rewarded me with the title of "Above and Beyond award".

- Successfully delivered multiple SAP implementation, enhancements and support projects, ensuring high client satisfaction.
- Specialized in building custom ABAP solutions tailored to meet specific client requirements.
- Mentoring new developers and guiding through different scenarios and aspects of development.
- Played a pivotal role in the development of "mFleet", an internal project with a significant focus on frontend development.

SAP Developer   Oct 2022 - Oct 2023
Maventic Innovative Solutions Pvt Ltd | Remote

Gained extensive knowledge and experience through various implementation, support, and enhancement projects for multiple clients. My primary contributions include building custom solutions that meet business requirements set by senior consultants. Dedication to delivering performant applications within timelines, consistently meeting client expectations and achieving satisfactory results. My efforts have been recognized with the "Rising Star Award".

- Developed and delivered high-performance applications, ensuring adherence to deadlines.
- Successfully met client expectations, delivering satisfactory results.
- Awarded the Rising Star Award for outstanding performance.

Trainee Developer   Apr 2022 - Oct 2022
Maventic Innovative Solutions Pvt Ltd | Remote

Immersed myself in the fundamentals of building SAP applications using ABAP. I gained valuable knowledge on various SAP development tools, software, and services. My role involved contributing as a shadow developer, assisting senior developers in delivering successful applications.

- Acquired essential skills in SAP application development using ABAP.
- Gained hands-on experience with SAP development tools and services.
- Contributed as a shadow developer, supporting the delivery of successful applications.
